BIGGER AND BETTER CROPS

Subject to immediate acceptance and market changes we quote f. o. b. Louisville

JULY 8, 1926

Like most Wholesale Seed Houses, our Fiscal Year ends at the close of business hours, June 30th, so a New Business Year has just commenced; with it are ushered in quite a few new crops, some of which are ready to be offered and some are not. Below we quote those that are ready. Bear this in mind; these quotations are for future shipment, prices being materially lower than old crop stocks on account of larger crops, but if you must have seed of these varieties for immediate shipment, you will have to take old crop seed, and at market prices for spot seed.

We take this occasion to express our appreciation for past favors and to solicit new inquiries and new business. Help us make this a banner year to the end that we may both be benefited. "As a tree prospers so doth its branches."
